Profile

Enthusiastic Computer Science student at Indus University (Class of 2026) with a strong foundation in C, C++, Python, and DBMS. Adept at problem-solving and eager to apply my skills to real-world challenges. Passionate about technology and innovation, I'm looking to contribute to dynamic projects while continuously learning and growing in the tech field.

Education

BTech, Indus University, Ahmedabad

June 2022 – June 2026

12th Board, St Ann's School, Ahmedabad
